

mASEANa-project

International Round Table and Colloquium

Nov.01.2015 at National Museum of Western Art, Tokyo, Japan

JAPAN FOUNDATION

organized by DOCOMOMO Japan,

co-organized by The Japan Foundation and Japan ICOMOS National Committee,

assisted by ICOMOS ISC20c, DOCOMOMO International and mAAN

As part of conservation action for the purpose of documenting and vitalizing rapidly disappearing modern and contemporary architecture in equally rapidly growing ASEAN countries, a coalition of professional organizations, ICOMOS ISC20c, and DOCOMOMO International in support of The Japan Foundation decided to take an action to make a difference.

In scope of 6-year-project, 2015-2020, DOCOMOMO Japan together with Japan ICOMOS National Committee, with technical assistance by ICOMOS ISC20c, DOCOMOMO International and mAAN, provide a common ground, in this November in Tokyo to exchange ideas and set individual tasks and goals to make positive contributions for the project.
